Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)			Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks
					2010	2011	2012	2013		
1	(1)	a, b	Protection and conservation of national and prefectural parks	Review of park plans and management plans, approval and authorization duties for development, and appropriate management and guidance of park operations					Ministry of the Environment, Nagasaki Prefecture	
1	(1)	a, b	Protection and conservation of outcrops, ancient structural remnants of past natural disasters etc.	Rank important remnants of past disasters and decide how to preserve them					Unzen Volcanic Area Geopark Promotion Office, Shimabara City, Unzen City, Minamishimabara City, Nagasaki Prefecture, Ministry of the Environment, Kyushu University, Nagasaki University	
1	(1)	c	Regular checks of the condition etc., of each geosites	Regularly check and improve the way of protection and conservation of each geosites					Unzen Volcanic Area Geopark Promotion Office, Shimabara City, Unzen City, Minamishimabara City, Nagasaki Prefecture, Ministry of the Environment	
1	(1)	c	Academic involvement for Geopark	Cooperate with academic institutions and involve them in management to make geopark more valuable and attractive					Kyushu University, Nagasaki University	
1	(2)	a	Shimabara Peninsula Green Planting Project	Encourage local residents to get in touch with nature and understand the protection of environment through city's tree and flower planting activity					Shimabara City, Unzen City, Minamishimabara City, Citizens' Association	
1	(2)	a	Improvement, management and operation of facilities at national parks and prefectural natural parks	Create opportunities to feel and learn the blessings of nature by managing, operating and improving facilities at national parks and prefectural natural parks Improvement, management and operation of picnic sites, camping grounds, visitor centers, entrances, walkways, etc.					Ministry of the Environment, Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City	
1	(2)	a, b	Clean-up geosites Campaign	In order to get citizens to know the magnificence of the Unzen Volcanic Area Geopark, carry out learning and conservation activities of geosites					Shimabara City, Unzen City, Minamishimabara City	
1	(2)	b	Nurturing natural parks instructors, park volunteers, natural parks supervisors	Protect the environment through the nurturing of natural parks instructors, park volunteers, natural parks supervisors					Ministry of the Environment, Nagasaki Prefecture	
1	(3)	a	Installation of geopark explanation boards	Install explanation boards so that visitors can enjoy learning about the geosites					Unzen Volcanic Area Geopark Promotion Office,, Nagasaki Prefecture, Forestry Agency, Ministry of the Environment, Ministry of Land, Infrastructure, Transport and Tourism	
1	(3)	a, b	Improvement, management and operation of facilities at national parks and prefectural natural parks (re-posting)	Prevent the deterioration, and heighten the safety as well as the appeal of the geosites through the improvement, management and operation of facilities at national parks and prefectural natural parks. Improvement, management and operation of picnic sites, camping grounds, visitor centers, entrances, walkways, etc.					Ministry of the Environment, Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City	
1	(3)	b	Creation of a system for the patrol and maintenance of the new mountain trail on Mount Fugendake	With the restoration of the mountain trail that was destroyed by the eruption, create a new patrol and maintenance system to improve the value of geosite around Mount Fugendake as well as to assure climbers' safety and reduce congestion during the peak season					Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City, Unzen Volcanic Area Geopark Promotion Office, Ministry of the Environment, etc.

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)	Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks	
			2010	2011	2012	2013			
1	(3) b	Maintenance and management of outcrops, ancient structural remnants of past natural disasters etc.	Maintain and manage facilities outside of natural parks					Unzen Volcanic Area Geopark Promotion Office, Shimabara City, Unzen City, Minamishimabara City, Nagasaki Prefecture, Ministry of the Environment, etc.	
1	(3) c	Academic support of Shimabara Peninsula Geopark (re-posting)	Cooperate with academic institutions and involve them in management to make geopark more valuable and attractive					Kyushu University, Nagasaki University	
1	(3) c	Discovery of new geosites	Discover new geosites so that the value of precious nature is not left unrecognized					Unzen Volcanic Area Geopark Promotion Office, Nagasaki Prefecture, Ministry of the Environment, Nagasaki University	
2	(1) a	Support for surveys and research of geosites etc.	Support for surveys and research to discover new geosites					Unzen Volcanic Area Geopark Promotion Office	
2	(1) b	Development of material on the Mount Unzen-Fugendake disaster	<ul style="list-style-type: none"> • Create a journal about the Mount Unzen-Fugendake disaster and reconstruction • Creation of a list of reference materials regarding Mount Unzen-Fugendake • Conversion to electronic format of material on the Mount Unzen-Fugendake disaster 					Nagasaki University	
2	(1) b	Development of a program for local revitalization using geothermal energy in Mount Unzen and Shimabara	Produce a specific image of the geopark with the perspective of environmental education and revitalize local areas with the peninsula as a model for a belt of permanent energy covered by 100% natural energy					Faculty of Environmental Studies, Nagasaki University	
2	(1) a, b	Promote surveying and research on Mount Unzen	Support the Unzen Volcanic Area Geopark from an academic perspective by promoting geoscience surveys and research on the Shimabara Peninsula centered on Mount Unzen					Kyushu University, Nagasaki University	
2	(2) a, b, c, d	Returning research outcomes on Mount Unzen to the local community	Give back knowledge about Shimabara gained by research thus far, to local residents and children, who will be the driving force of the future, through lectures, seminars and on-site lectures					Kyushu University, Nagasaki University	
2	(2) a, c, d	Incorporating content on geoparks into learning materials for elementary and junior high school on the peninsula	<ul style="list-style-type: none"> • Science -- The earth's changes • Social Studies -- Town planning making the most of restoration from disasters • School trips to core facilities for science and social studies 					Shimabara City Board of Education, Unzen City Board of Education, Minamishimabara City Board of Education	
2	(2) b	Geo tours to educate citizens	Carry out geosite tours for citizens to get them to know how wonderful the Unzen Volcanic Area Geopark is					Shimabara City, Unzen City, Minamishimabara City	
2	(2) b	Hold public lectures or lecture meetings on the Unzen Volcanic Area Geopark	Hold public lectures or lecture meetings, etc., for citizens to get them to know how wonderful the Unzen Volcanic Area Geopark is					Shimabara City, Unzen City, Minamishimabara City, Association of Commerce and Industry, Tourist Association, Japan Agricultural Cooperatives	
2	(2) b	Geopark training courses for staffs of Shimabara Promotion Bureau	Hold Geopark training courses for the staffs of the Shimabara Promotion Bureau					Nagasaki Prefecture Shimabara Peninsula Promotion Bureau	
2	(2) b	Geo-tour celebrating first anniversary of designation as a global geopark	Hold geo-tours for citizens to celebrate the first anniversary of designation as a global geopark					Unzen Volcanic Area Geopark Promotion Office	
2	(2) b	Hold a lecture in commemoration of the first anniversary of designation as a global geopark	Hold a lecture for citizens in commemoration of the first anniversary of designation as a global geopark					Unzen Volcanic Area Geopark Promotion Office

 2. Research and education ,
 3. Tourism and regional development

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)	Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks	
			2010	2011	2012	2013			
2	(2) b	Lectures about Unzen Volcanic Area Geopark	Hold lectures for the acquisition of wide-ranging knowledge about geoparks					Nagasaki Prefecture Geotechnical Consultants Association, etc., various types of organizations	
2	(2) c, d	Educational program on preventing the effects of disasters	Convey about the damage from volcanic eruptions and coexisting with volcanoes by promoting discussions about preventing the effects of disasters to prepare for future disasters					Ministry of Education, Culture, Sports, Science and Technology, Mt. Unzen Disaster Memorial Foundation, Unzen Volcanic Area Geopark Promotion Office	
2	(3) a	Courses for training Geopark guides	Train geo-guides to develop travel tours in Unzen Volcanic Area Geopark offered by a travel agency or tourists					Unzen Volcanic Area Geopark Promotion Office, Shimabara Tourism Board	
2	(3) b	Educational geo-tours for citizens (reposted)	Carry out geosite tours for citizens to know wonderful attractions of the Unzen Volcanic Geopark					Shimabara City, Unzen City, Minamishimabara City	
2	(3) b	Hold Geoparks public lectures and talks	Hold public lectures and talks for citizens to know how wonderful the Unzen Volcanic Area Geopark is.					Shimabara City, Unzen City, Minamishimabara City, Association of Commerce and Industry, Tourist Association, Japan Agricultural Cooperatives	
2	(3) c	Establish the Unzen Volcanic Area Geopark's official examination system	Establish the Unzen Volcanic Area Geopark's official examination system and provide opportunities to learn about geopark					Unzen Volcanic Area Geopark Promotion Office	
3	(1) a	Develop a program for travel tours offered by a travel agency at the destination, and facilities	Development of a program for first-hand experiences and facilities that utilize Unzen Jigoku (Unzen Hell) as well as improvement of facilities for experiencing farming and accommodation utilizing the hot springs in Shimabara Peninsula					Shimabara City, Unzen City, Minamishimabara City, Unzen Tourist Association	
3	(1) a	Development of attractive travel tours offered by a travel agency	Development of travel tours and accommodation packages offered by a travel agency at the destination that offer trekking and hands-on experiences utilizing the geosites					Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association	
3	(1) a	Hold various events featuring the outdoor activity in the nature	Hold events that utilize the blessings of nature and the earth in each region Two-day's walking event, Unzen Autumn Colors Walking, Shiranui Festival, Obama Hot Springs Festival, Medetai Festival, Playing barefoot in Unzen, Local Products Festival held in each town, Hara Castle Uprising Festival, Cherry Blossom Viewing and Fire Festival, Tours of houses with storehouses, etc.					Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association, various community development organizations	
3	(1) a	Any citizen can be a geoguide Project	Create a system to enable any citizen of the peninsula to be a guide and give explanations about the area they live in. Carry out geo-tours for those employed in tourism such as hotel and inn employees, bus and taxi drivers, and souvenir shop assistants.					Unzen Volcanic Area Geopark Promotion Office, Tourist Association, inns association, Association of Taxi Drivers	
3	(1) a	Nagasaki long stay promotion Project	Promote long stay tours with both classroom lectures and fieldwork about the culture and history of Unzen Volcanic Area Geopark. •Implement monitor tours •Consider commercialization					Nagasaki Prefecture, Shimabara Tourism Board	
3	(1) a	Yuyu-no-Mori agreement Project	Conclude an agreement about carrying out the outdoor activity inside national forestry land at the foot of sacred Kusenbutake Mountain, in the natural environment of the Tashirobaru fault basin. Make the place a base for ecotourism activities.					Nagasaki Forest Office, Oku-Unzen nature conservation group

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)	Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks
			2010	2011	2012	2013		
3	(1) b	Establish a geopark university	Promote the establishment of a geopark university (tentative name) where visitors can learn about the geopark through a geopark hands-on experience learning program wherein those who have finished the course are presented with a certificate of completion.				Nagasaki Prefecture, Unzen Volcanic Area Geopark Promotion Office	
3	(1) c	Peninsula communities development conference	Develop an event as part of a community development forum for communities located on peninsulas through Japan, promoted by the Ministry of Land, Infrastructure and Transport. Consider how to develop local communities through geoparks, building the conference around the theme of how to make the best use of the common theme of geoparks in the Shimabara Peninsula. Aim to boost residents consciousness by positioning it as a pre-event before the world conference.				Ministry of Land, Infrastructure, Transport and Tourism, Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City, Peninsula community development organizations	
3	(1) c	Hospitality for foreigners	Hold learning courses about hospitality, foreign customs and conversation with foreign tourists.				Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association	
3	(1) d	Guide coordinating project	Make a system to provide sightseeing tour include a geopark guide who have been trained according to the need of tourists from outside and inside peninsula.				GAMADASU Net, Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association, Unzen City Guides Association	
3	(1) d	Project to foster eco-tour coordinators	Promote the revitalization of local communities by fostering coordinators for the training and management of tour guides as well as the planning of eco-tours, and work towards the establishment of participatory and hands-on experience types of tourism				Nagasaki Prefecture, Shimabara Tourism Board	
3	(1) d	Getting close to nature movement	Development of human resources who will be the core of ecotourism				Nagasaki Prefecture	
3	(1) e	Improvement, management and operation of facilities for use in national parks and prefectural natural parks (reposted)	Aim for an increase in tourists and expansion of geotourism through the improvement, management and operation of facilities for use in national parks and prefectural natural parks Improvement, management and operation of picnic sites, camping grounds, visitor centers, entrances, walkways, etc.				Ministry of the Environment, Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City	
3	(1) e	Improvement of the Mt. Unzen Disaster Memorial Hall in the geopark zone	Establish a Geopark Information Space in the media library. Introduce the appeal of the Unzen Volcanic Area Geopark with panels and videos. Enhance the information space for international conferences. Also, work to make the display content even better as suitable for a core facility of the Unzen Volcanic Area Geopark in preparation for the 5th International UNESCO conference on Geoparks.				Mt. Unzen Disaster Memorial Foundation, Unzen Volcanic Area Geopark Promotion Office	
3	(1) e	Project to improve facilities related to the Unzen Volcanic Area Geopark	Improve the displays about the geopark in the Tashirobaru Trail Center and Nita Toge information Center, and improve the facilities in order to implement geotourism				Nagasaki Prefecture	
3	(1) e	Operation and management of the Mt. Unzen Disaster Memorial Hall	Manage and operate Mt. Unzen Disaster Memorial Hall as a core facility of the geopark				Nagasaki Prefecture, Mt. Unzen Disaster Memorial Foundation	

- Section 1. Protection and conservation ,
 2. Research and education ,
 3. Tourism and regional development

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)			Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks
					2010	2011	2012	2013		
3	(1)	e	Operation and management of the Debris Flow-damaged Houses Conservation Park	Manage and operate the Debris Flow-damaged Houses Conservation Park as a core facility of geopark and renew the display of the facility.					Nagasaki Prefecture, Minamishimabara City	
3	(1)	e	Operation and management of the Ono-Koba elementary school building	Preserve the school building that was affected by the pyroclastic flow during the Unzen-Fugendake eruption, and hand it on to future generations					Minamishimabara City	
3	(1)	e	Operation and management of the Fukae museum for archeological cultural properties and volcanic eruption disaster	Handing on to future generations information about the daily life of people in the volcanic region and the Heisei volcanic eruption, from an archeological point of view					Minamishimabara City	
3	(1)	e	Operation and management of the Ono-Koba monitoring point (Sabo Miraikan Museum)	While monitoring construction work of sabo facilities with the unmanned method of construction, introduce the latest sabo works.					Ministry of Land, Infrastructure, Transport and Tourism	
3	(1)	e	Operation and management of Jomon no Sato, the museum for the Onobaru Remains	Introduce the culture and lifestyle in the Jomon era as well as the geographical formations in the Ariake region of Shimabara City with displays.					Shimabara City	
3	(1)	e	Project to install electric signboards	Install electric signboards at transport hub facilities to raise public awareness of the Unzen Volcanic Area Geopark.					Shimabara Tourism Board, Unzen Volcanic Area Geopark Promotion Office	
3	(1)	e	Project to install signboards with welcome messages	At the gateway to the Shimabara Peninsula, install signboards with welcome message in different languages to raise awareness of the Unzen Volcanic Area Geopark.					Unzen Volcanic Area Geopark Promotion Office	
3	(1)	e	Project to maintain general information boards	Set up general information boards at Shimabara Peninsula tourist base facilities for giving out information about the geosites and related facilities					Unzen Volcanic Area Geopark Promotion Office	
3	(1)	f	Project to maintain the Mount Fugendake mountain trail	Improve the mountain trail by restoring the sections destroyed by the volcanic eruption and use the geosite area around Mount Fugendake, raise the value of geosites as well as assure climbers' safety and reduce congestion during the peak season by maintaining a new mountain trail					Ministry of the Environment	
3	(1)	f	Creation of a system for the patrol and maintenance of the new mountain trail on Mount Fugendake (reposted)	With the restoration of the mountain trail that was destroyed by the eruption, create a new patrol and maintenance system to improve the value of geosite around Mount Fugendake as well as to assure climbers' safety and reduce congestion during the peak season					Nagasaki Prefecture, Shimabara City, Unzen City, Minamishimabara City, Unzen Volcanic Area Geopark Promotion Office, Ministry of the Environment, etc.	

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)	Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks
			2010	2011	2012	2013		
3	(1) g	Project for collaboration among geopark related facilities	Collect information from each facility and give information to visitors				Mt. Unzen Disaster Memorial Foundation, Unzen Civic Center-Oyama no Jyohokan, Heisei-shinzan Nature Center, Unzen Suwanoike Visitor Center, Tashirobaru Trail Center, Nita Toge Information Center, Obama Museum of Historical Materials, Park preserving buildings affected by debris flows, Former Ono-Kiba elementary school building, Sabo Miraikan Museum, Fukae museum for archeological cultural properties and volcanic eruption disaster, Shimabara Castle Sightseeing Revival Hall, Hara Castle Culture Center, Kuchinotsu Museum of Historical Materials	
3	(1) (2) (3)	Hold the 5th International UNESCO Conference on Geoparks	Hold an international conference for the geoparks in 77 regions in 25 countries throughout the world as well as those regions wishing to become geoparks. Network with various regions throughout the world, promote academia for geology and topography, protect and preserve geological resources and promote regional development utilizing geoparks.				Unzen Volcanic Area Geopark Promotion Office, Global Geopark Network, Japanese Geoparks Network	
3	(1) (2) (3)	Support the 5th International UNESCO Conference on Geoparks	By cooperating in running the International UNESCO Conference, get the world's earth scientists to recognize the scientific appeal of the Unzen Volcanic Area Geopark				Kyushu University, Nagasaki University	
3	(2) a	Develop original merchandise utilizing a character	Develop original merchandise such as decorative straps for cell-phones etc., utilizing the geopark character 'Geo-kun'				Mt. Unzen Disaster Memorial Foundation, etc.	
3	(2) a	Project to promote development of agricultural and marine products under the Geo brand	Promote development of and added value to branded agricultural and marine products from the fields on the fertile plateau spreading out and fishing grounds formed along the coastline due to volcanic activity				Shimabara City, Unzen City, Minamishimabara City, Japan Agricultural Cooperatives, fishermen's cooperative, farmers and fishermen of the Peninsula	
3	(2) a	Project to expand the market for the Geo brand	Carry out fairs, business talks and PR activities for agricultural and marine products (blessings of geosites) of the Unzen Volcanic Area Geopark.				Shimabara City, Unzen City, Minamishimabara City, Japan Agricultural Cooperatives, fishermen's cooperative, farmers and fishermen of the Peninsula	
3	(2) a	Project to develop new products	Develop regional specialties and souvenir products utilizing the blessings of nature of the Unzen Volcanic Area Geopark				Shimabara City, Unzen City, Minamishimabara City, Association of Commerce and Industry, Chamber of Commerce and Industry, Japan Agricultural Cooperatives, farmers, fishermen and businesspeople of the Peninsula	
3	(2) b	Project to utilize the Shimabara Peninsula history and folktales	Develop a list of tours and opportunities for learning through practical experience, etc., utilizing the history of the Shimabara Peninsula and folktales handed down from ancient times.				Unzen Volcanic Area Geopark Promotion Office, Local history groups, folktale groups	
3	(3) a	Website renewal	Effective PR by renewal of the website				Unzen Volcanic Area Geopark Promotion Office	

- Section 1. Protection and conservation ,
 2. Research and education ,
 3. Tourism and regional development

Unzen Volcanic Area Global Geopark Action Plan

Section (According to Chapter V of the Master Plan)			Project Name	Project Overview	Project Fiscal Year				Project Implementing Body	Remarks
					2010	2011	2012	2013		
3	(3)	b	Install a signboard for the countdown to the 5th International UNESCO Conference on Geoparks	Install a countdown signboard for the the International Conference on Geoparks					Unzen City Tourist Association	
3	(3)	b	Creation of pamphlets	Create pamphlets for PR and for general use					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Creation of guidebooks	Publish the Unzen Volcanic Area geopark guidebook					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Creation of posters	Create posters for PR and for general use in addition to raising public awareness of the geopark					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Creation of vertical banners	Create vertical banners for PR and install at each facility for PR					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Creation of stickers and seals	Create stickers for PR and carry out PR on a wide scale by applying them to cars in public use, etc. Create seals with the logo and apply them to existing signboards, etc., to make an appeal about global geoparks					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Creation of a tapestry(ies)	Create a tapestry(ies) to improve public awareness of geoparks as well as common knowledge of the international conference					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Project to utilize the logo and character for PR	Create the logo and a mascot character for geopark's peomotion					Unzen Volcanic Area Geopark Promotion Office	
3	(3)	b	Make DVDs (Japanese, English, Chinese, Korean)	Make PR DVDs of Unzen Volcanic Area Geopark in several languages					Unzen Volcanic Area Geopark Promotion Office, Shimabara Tourism Board	
3	(3)	b	PR on media	Utilize TV, radio, travel magazines, science magazines, etc. for PR					Unzen Volcanic Area Geopark Promotion Office, Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association	
3	(3)	b	PR on local media	Carry out PR through local cable TV and FM radio					Kabocha TV, Himawari Television, FM-Shimabara	
3	(3)	b	Ad-wrapping	Design ad-wrapped buses and vending machines for geopark's promotion					Chamber of Commerce and Industry, Association of Commerce and Industry	
3	(3)	b	Attract school excursions	Shimabara Tourism Board, each regional tourist association and local government work together to introduce the tourism in geopark and invite school students.					Shimabara City, Unzen City, Minamishimabara City, Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association	
3	(3)	b	Promotion for Travel Agents	Carry out a monitor tour with the Shimabara Tourism Board, each regional tourist association and local government acting together in promotion activities for travel agents					Shimabara City, Unzen City, Minamishimabara City, Shimabara Tourism Board, Shimabara Tourism Association, Unzen Tourist Association, Obama Onsen Tourist Association, Minamishimabara Himawari Tourist Association	
1 2 3			Unzen Plan 100	Carry out community development and make plans of action for the future vision of Unzen National parks for the 100th anniversary of being designated a national park					Ministry of the Environment, Unzen City, Shimabara City, Minamishimabara City, Nagasaki Prefecture, etc.
